Aldevra warrants via Follett Corporation to the original purchaser that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. The compressor shall be covered for an additional 3 years (parts only), for a total of 5 years from the date of installation.

Medical-grade upright refrigerators

Aldevra warrants via Follett Corporation to the original purchaser that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts for repair within this 2 year period are covered under this warranty. Labor required for repair within a 1 year period is covered under this warranty. The compressor shall be covered for an additional 3 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided.
3. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Aldevra are expressly excluded from this warranty.
4. Aldevra reserves the right to require that any parts covered under this warranty be returned to address provided prepaid and verified as defective upon examination by Aldevra.
5. Any damages resulting from shipment of the unit are expressly excluded. Aldevra advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.

Questions concerning this warranty should be directed to Aldevra at (269) 350-1337.

Return Goods Policy.

Return Policy for Follett Equipment Purchased Through GSA Schedule

Equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by Aldevra customer service within 45 days after shipment.
3. Aldevra receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number.
4. The equipment is returned in original packaging. If the packaging has been damaged or discarded, Aldevra will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Aldevra will not be held responsible. Credit will be issued when the equipment has been inspected and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds the restocking fee, the actual cost will be deducted.

If Aldevra ships equipment not specified in contract to customer, Aldevra requests customer return in original packaging and Aldevra will pay for the item(s) to be returned if it was in error.
